VCE Unit 1 and 2 Electives by offer only

Selected students will be offered the opportunity to undertake a VCE Unit 1 and 2 elective as part of their Year 10 program.

After consideration of students' performances in Semester 1, decisions will be made regarding offers. First round of offers will occur shortly. A small number of second round offers will be made prior to the commencement program for students who have performed at a consistently high standard during Semester 2.

For students who take up the offer, the VCE units will replace 2 Year 10 semester length electives.

In the following section you should number YOUR CHOICES from 1 - 8.

Year 10 students are required to undertake two semesters of English, Mathematics, Science and General Humanities. In addition, students will choose 4 optional units from those listed below. Timetable and resources constraints will mean that not all students will be given their highest ranked choices. Performance in Year 9 will be considered when allocating students to subjects.

REMEMBER:

- Language subjects must be undertaken as whole year electives.
- 'ADVANCE' (Health, Outdoor Education and Global Social Responsibility) must be taken as a whole year elective.
- **Number your choices from 1 to 8.**
