ROLES AND RESPONSIBILITIES

School leaders will ensure that each person understands their role, responsibilities and behaviour expected in protecting children and young people from abuse and neglect. Staff will comply with the school's Child Safety Code of Conduct, which sets out clearly the difference between appropriate and inappropriate behaviour.

Specific child safety responsibilities:

- Principal is responsible for reviewing and updating the Child Safety Policy every 3 years.
- Principal is responsible for monitoring the school's compliance with the Child Safety Policy. The school community should approach [job title] if they have any concerns about the school's compliance with the Child Safety Policy.
- Principal is responsible for informing the school community about this policy, and making it publicly available.
- Other specific roles and responsibilities are named in Brighton Secondary College's other child safety policies and procedures, including the Child Safety Code of Conduct, Child Safety Responding and Reporting Obligations (including Mandatory Reporting) Policy and Procedures, and risk assessment register.

RECRUITMENT

Brighton Secondary College follows the Department's Recruitment in Schools guide to ensure child safe recruitment practices, available on the [Department's website](#).

All prospective volunteers are required to comply with our school's Volunteers Policy, including in relation to assessing the suitability of prospective volunteers and obtaining checks required under this policy.

All prospective volunteers are required to maintain a valid Working with Children Check, this will include requiring all volunteers on fete stalls, fundraising committees etc. to hold a Working with Children Check.

TRAINING AND SUPERVISION

Training and education is important to ensure that everyone in the school understands that child safety is everyone's responsibility.

Our school culture aims for all staff and volunteers (in addition to parents/carers and children) to feel confident and comfortable in coming forward with any allegations or suspicions of child abuse or child safety concerns. We train our staff and volunteers to identify, assess, and minimise risks of child abuse and to detect potential signs of child abuse. This training occurs annually or more often as required.

We also support our staff and volunteers through ongoing supervision to develop their skills to protect children from abuse, to promote the cultural safety of Aboriginal and Torres Strait Islander children and children from linguistically and/or diverse backgrounds, and the safety of children with a disability and vulnerable children.

New employees and volunteers will be inducted into the school, including by being referred to the Child Safety Policy (this document), the Child Safety Code of Conduct, and the Child Safety Responding and Reporting Obligations (including Mandatory Reporting) Policy and Procedures on the school website. They will also be supervised regularly to ensure they understand our school's commitment to child safety, and that their behaviour towards children is safe and appropriate. All employees of our school will be monitored and assessed via regular performance review to ensure their continuing suitability for child-connected work. Any inappropriate behaviour will be reported by school staff to the Principal or Assistant Principal and will be managed in accordance with Brighton Secondary College's [Child Safety Responding and Reporting Obligations Policy and Procedures](#) (including Mandatory Reporting) where required.

REPORTING A CHILD SAFETY CONCERN OR COMPLAINT

The school has clear expectations for all staff and volunteers (including homestay providers) in making a report about a child or young person who may be in need of protection. All staff (including school council employees) must follow the school's Child Safety Responding and Reporting Obligations (including Mandatory Reporting) Policy and Procedures, including following the [Four Critical Actions for Schools](#) if there is an incident, disclosure or suspicion of child abuse. Immediate actions should include reporting their concerns to DHHS Child Protection, Victoria Police and/or another appropriate agency and notifying the principal or a member of the school leadership team of their concerns and the reasons for those concerns.

Brighton Secondary College will never prohibit or discourage school staff from reporting an allegation of child abuse. The school will always take action to respond to a complaint in accordance with the school's Child Safety Responding and Reporting Obligations (including Mandatory Reporting) Policy and Procedures. In accordance with Action 4 of the Four Critical Actions for Schools, Brighton Secondary College will provide ongoing support for students affected by child abuse.

The Child Safety Responding and Reporting Obligations (including Mandatory Reporting) Policy and Procedures can be found on our website.

RISK REDUCTION AND MANAGEMENT

Brighton Secondary College believes the wellbeing of children and young people is paramount, and is vigilant in ensuring proper risk management processes, found in the school's risk assessment register. The school recognises there are potential risks to children and young people and will take a risk management approach by undertaking preventative measures.

We will identify and mitigate the risks of child abuse in school environments by taking into account the nature of each school environment, the activities expected to be conducted in that environment and the characteristics and needs of all children expected to be present in that environment.

Brighton Secondary College monitors and evaluates the effectiveness of the actions it takes to reduce or remove risks to child safety, more information can be found in the school's risk assessment register.

LISTENING TO, COMMUNICATING WITH AND EMPOWERING CHILDREN

Brighton Secondary College has developed a safe, inclusive and supportive environment that involves and communicates with children, young people and their parents/carers. We encourage child and parent/carer involvement and engagement that informs safe school operations and builds the capability of children and parents/carers to understand their rights and their responsibilities. Our school is committed to supporting and encouraging students to use their voice to raise and share their concerns with a trusted adult at any time of need. Students can access information on how to report abuse at the College's Wellbeing office or on posters around the school.

When the school is gathering information in relation to a complaint about alleged misconduct with or abuse of a child, the school will listen to the complainant's account and take them seriously, check understanding and keep the child (and/or their parents/carers, as appropriate) informed about progress.

The school will promote the Child Safe Standards in ways that are readily accessible, easy to understand, and user-friendly to children, including:

- All of our child safety policies and procedures will be available for the students and parents at Brighton Secondary College to read on Compass under School Documentation > College Information > College Policies > Child Safety Standards
- PROTECT Child Safety posters will be displayed across the school
- School newsletters will inform students and the school community about the school's commitment to child safety, and strategies or initiatives that the school is taking to ensure student safety

The school will use its health and wellbeing programs to deliver appropriate education to its students about:

- standards of behaviour for students attending the school;
- healthy and respectful relationships (including sexuality);
- resilience; and
- child abuse awareness and prevention.

Brighton Secondary College delivers the Respectful Relationships curriculum through its Personal Excellence Program (PEP).
