We ensure that students also know what is acceptable and what is not acceptable so that they can be clear and confident about what to expect from adults in the school.

The Child Safety Code of Conduct also includes processes to report inappropriate behaviour.

MANAGING RISKS TO CHILD SAFETY AND WELLBEING

At our school we identify, assess and manage risks to child safety and wellbeing in our physical and online school environments. These risks are managed through our child safety and wellbeing policies, procedures and practices, and in our activity specific risk registers, such as those we develop for off-site overnight camps, adventure activities and facilities and services we contract through third party providers for student use.

Our Child Safety Risk Register is used to record any identified risks related to child abuse alongside actions in place to manage those risks. Our school leadership team will monitor and evaluate the effectiveness of the actions in the Child Safety Risk Register at least annually.

ESTABLISHING A CULTURALLY SAFE ENVIRONMENT

At Brighton Secondary College, we are committed to establishing an inclusive and culturally safe school where the strengths of Aboriginal culture, values and practices are respected.

We think about how every student can have a positive experience in a safe environment. For Aboriginal students, we recognise the link between Aboriginal culture, identity and safety and actively create opportunities for Aboriginal students and the Aboriginal community to have a voice and presence in our school planning, policies, and activities.

We have developed the following strategies to promote cultural safety in our school community:

- Brighton Secondary College has introduced the BSC Expectations Guide for Students, staff and families to set clear expectations for behaviour and to promote positive cultural safety in our community.
- Brighton Secondary College has introduced an online reporting platform, Anti-Bullying Incident Reporting email address: anti.bullying@brightonsc.vic.edu.au for students to submit any concerns and report any inappropriate behaviour.
- Our Aboriginal and Torres Strait Islander Education Plan outlines the measures we have in place to maintain an inclusive and culturally safe school for Aboriginal children and students

We have developed the following strategies to promote cultural safety in our school community:

- Fly the Aboriginal flag and Torres Strait Islander flag
- Begin events and meetings with an Acknowledgement of Country as a standing agenda item
- ensure a child's ability to express their culture and enjoy their cultural rights is encouraged and actively supported
- ensure that racism within the organisation is identified, confronted and not tolerated. Any instances of racism are addressed with timely and appropriate consequences
- promote and celebrate culturally significant events (such as NAIDOC week) to ensure that all members of our community acknowledge and appreciate the strengths of Aboriginal culture and understand its importance to the wellbeing and safety of Aboriginal children and young people

- build knowledge of Aboriginal histories, cultures, perspectives, values, skills and attitudes into the curriculum
- Celebrate the local Aboriginal community in communications with students, staff, volunteers and families
- Hold smoking ceremonies once a year.

STUDENT EMPOWERMENT

To support child safety and wellbeing at Brighton Secondary College, we work to create an inclusive and supportive environment that encourages students and families to contribute to our child safety approach and understand their rights and their responsibilities.

Respectful relationships between students are reinforced and we encourage strong friendships and peer support in the school to ensure a sense of belonging implementing our whole school approach to Respectful Relationships, our student Code of Conduct and our school values.

We inform students of their rights through our whole school approach to Respectful Relationships and give them the skills and confidence to recognise unsafe situations with adults or other students and to speak up and act on concerns relating to themselves or their peers. We ensure our students know who to talk to if they are worried or feeling unsafe and we encourage them to share concerns with a trusted adult at any time. Students and families can also access information on how to report concerns through our dedicated Anti-Bullying Incident Reporting email address: anti.bullying@brightonsc.vic.edu.au

When the school is gathering information in relation to a complaint about alleged misconduct or abuse of a child, we will listen to the complainant's account and take them seriously, check our understanding of the complaint, support the student and keep them (and their parents and carers, as appropriate) informed about progress.

FAMILY ENGAGEMENT

Our families and the school community have an important role in monitoring and promoting children's safety and wellbeing and helping children to raise any concerns.

To support family engagement, at Brighton Secondary College we are committed to providing families and community with accessible information about our school's child safe policies and practices and involving them in our approach to child safety and wellbeing.

We will create opportunities for families to have input into the development and review of our child safety policies and practices and encourage them to raise any concerns and ideas for improvement.

We do this by:

DIVERSITY AND EQUITY

As a child safe organisation, we celebrate the rich diversity of our students, families and community and promote respectful environments that are free from discrimination. Our focus is on wellbeing and growth for all.

We recognise that every child has unique skills, strengths and experiences to draw on.

We pay particular attention to individuals and groups of children and young people in our community with additional and specific needs. This includes tailoring our child safety strategies and supports to the needs of:

- Aboriginal children and young people
- children from culturally and linguistically diverse backgrounds
- children and young people with disabilities

- Address racism and more specifically anti-Semitism, from students, staff, volunteers or visitors directly.
- Make sure racist or anti-Semitic speech or actions are always dealt with promptly, and the culture of the school works to prevent incidents from occurring.

The school seeks to achieve this through:

- Education: Student programs will be organized to raise student awareness about anti-Semitism, to provide a forum for discussion of matters and to aid development of attitudes. Some matters will be dealt with formally in the curriculum and in extra-curricular programs and occasional activities run by outside experts and workers such as 'Courage to Care'.
- Promoting a culture of Upstander behaviour: Communicated to students proactively through the schools Expectations Guide, targeted incursions run by specialist providers, at Year level and whole school assemblies.
- Providing an on-line reporting platform: available to all students to report incidents of racism, anti-Semitism, bullying and other forms of behaviour deemed inappropriate and unacceptable.

Clear documented processes with which to deal with any racist or more specifically anti-Semitic incident: these include:

- Ensuring students are heard.
- Student statements are obtained.
- A thorough investigation is conducted.

With possible outcomes being:

- Educative
- Punitive (possible suspension)
- Restorative (Restorative conversation held with the perpetrator and the victim by the student manager/wellbeing team.)
- Well-being support (offered to both perpetrator and victim).

Our Student Wellbeing and Engagement Policy provides more information about the measures we have in place to support diversity and equity.

We have clear pathways for raising complaints and concerns and responding and this is documented in our school's Complaint Policy.

If there is an incident, disclosure, allegation or suspicion of child abuse, all staff and volunteers (including school council employees and homestay providers) must follow our Child Safety Responding and Reporting Obligations Policy and Procedures. Our policy and procedures address complaints and concerns of child abuse made by or in relation to a child or student, school staff, volunteers, contractors, service providers, visitors or any other person while connected to the school.

As soon as any immediate health and safety concerns are addressed, and relevant school staff have been informed, we will ensure our school follows:
